Flashes of light I open my eyes
And feel the spark of a new life
I take a breath for the first time
And you are the reason my heart is beating
You put the color in my world
Yeah, the color in my world

I've never felt so alive, alive
Like a brand new sunrise

Dark has turned to light and I will celebrate
All my wrongs made right
Everything has changed
My sins have been erased
And it feels like New Year's Day
Oh!
It feels like New Year's Day
Oh!

So don't let me forget everything that you've done
Even though it's in my nature
I never want to become a creature of habit, no

Cause life's gonna get its hands on me
I know troubles gonna call my name
But you'll be standing there trying to remind me

Dark has turned to light and I will celebrate
All my wrongs made right
Everything has changed
My sins have been erased
And it feels like New Year's Day
Oh!
It feels like New Year's Day
Oh!

Oh it's a New Year, oh it's a New Year's Day
Oh it's a New Year, oh it's a New Year, it's a New Year,
Oh it's a New Year's Day

Dark has turned to light and I will celebrate
All my wrongs made right

Everything has changed
My sins have been erased
Yeah, everything has changed
My sins have been erased
And it feels like New Year's Day
Oh!
It feels like New Year's Day
Oh!
It feels like New Year's Day
Oh!
It feels like New Year's Day
Oh!
