I'm in a dangerous place, no direction within  
I feel lost in myself, trapped in my skin  
It's a critical state, in my mind I can tell  
That the future looks dim if I don't get some help

I am lost without You

Safe in Your arms  
When I'm weak You carry me  
I am safe in Your arms  
You're my strength, You're my safety

Oh, looking back, all the years, all the blood, sweat,  
and tears  
There were times it was hard and I fell apart  
You're the light at the end, on the road You're a friend  
When I wanna give up, You keep showing love

I know I'd be lost without You

Safe in Your arms  
When I'm weak You carry me  
I am safe in Your arms  
You're my strength, You're my safety

Safe in Your arms  
When I'm weak, You carry me  
I am safe in Your arms  
You're my strength and You're my safety

With You I'd never walk alone  
I know, I know where I belong  
With You I'd never walk alone  
'Cause You carry me

Safe in Your arms  
When I'm weak, You carry me  
I am safe in Your arms  
You're my strength, You're my safety

Safe in Your arms  
You carry me

I am safe in Your arms  
You're my safety

I'm not alone  
I'm not alone  
I'm not alone  
I'm not alone
