Patiently I wait and all I can say
I need so much more of You, You
In Your light I'll stay
And I want You to draw me
Into Your arms full of love

Take me where I can't go alone

Give this heart what it needs
I want life from You in me
Jesus, Your love lifts me up
You're all that I been searching for
And everything I have is Yours
Jesus, Your love lifts me up

I wait here for You to speak
Words that gives new life to me
I know I could never have too much
When I am in a desperate place
You give light to my escape
And carry me when I am weak

Oh Lord, it's You I seek

Give this heart what it needs
I want life from You in me
Jesus, Your love lifts me up
You're all that I been searching for
And everything I have is Yours
Jesus, Your love lifts me up

Hold me close when I fall down
I'm crying out without a sound
Hold me close when I fall down
I'm crying out save me now

Give this heart what it needs
I want life from You in me
Jesus, Your love lifts me up
You're all that I been searching for
And everything I have is Yours
Jesus, Your love lifts me up

Oh, You lift me up
