I don't wanna hear it again
your always getting stuck in my head
all the things you think that i'm supposed to be
don't worry bout the way that i am
cause that's the only thing that i plan on being
so forget about trying to take my dreams from me
i'm not sorry that i'm not just like everybody else
i'm not sorry cause that would mean i'm not cool with
myself
sometimes i can feel like i'm the only one with faith
faith that i'll be okay
at the end of the day
at the end of the day
i hate being alone in the dark
but i'm still gonna follow my heart
and no one is ever gonna make me stop
so many things that i wanna do
so many once i'm gonna recruit
the one on the other side i hope is you
i'm not sorry that i'm not just like everybody else
i'm not sorry cause that would mean i'm not cool with
myself
sometimes i can feel like i'm the only one with faith
faith that i'm gonna be okay
at the end of the day
will you be there?
holding my hand when i fall down
will you be there?
trying to make me change
and be the same
as you
i don't wanna be like you
i don't wanna be like you
i'm not sorry that i'm not just like everybody else
i'm not sorry cause that would mean i'm not cool with
myself
sometimes i can feel like i'm the only one with faith
faith that i'll be okay
at the end of the day
at the end of the day
i'm not sorry
i'm not sorry

at the end of the day
