Keep on walk around  
like a rat in Graceland  
Keep on walk around  
like a rat in its nest

Hey! My name is EP  
if that rings a bell  
You might think I'm crazy  
like my great Colonel  
Everywhere, I've been up,  
I've been down, been around  
I've been in heaven and hell (fÄ¶r fan)  
Try to get away with me 'cause each  
and everyday you see,  
I'll give you stories to tell

Chorus:  
Keep on walk around  
like a rat in Graceland  
Keep on walk around  
like a rat in its nest  
Keep on walk  
like a rat in Greceland  
Keep on walk around  
like a rat in its nest

Days like these days  
keep on going around  
shifting all but the funkiest sound  
leavin' us alone with a sense for a time  
and words to use to bust  
a brilliant rhyme  
All aboard, all aboard that I can save  
Could just be that word  
that will bring us the jiverave  
The mysteries of my miserhymes  
Well tucked away in the sign  
of the time

Chorus

I've run around like nothing else you've seen.  
Good luck and Good Day  
You'll see it coming day by day  
From mind to mind to mind to mind..

Chorus
