Christian Wunderlich - Father

Soft like a snowwhite flower
Like a tender song
Like a moment we'll share forever
You were there every hour
Where there just for me
In my mind we will always be together

Where are you father?
There's so much to tell you
Oh, I'm so afraid

So listen, my father
I just can't understand
Why you leave me alone
Every night
When I dream of our lives
I cry for you, father

What is the truth of love
When you're up above
And I cannot reach you, father
It's driving me insane
Feeling endless pain
And I ask myself again and again

Where are you father?
There's so much to tell you
Oh, I'm so afraid

So listen, my father
I just can't understand
Why you leave me alone
Every night
When I dream of our lives
I cry for you, father

Where are you father?...
