Chris: Feel your breath on my shoulder and I know we  
couldn't get any closer I don't it wanna act tough, I just  
wanna fall in love  
Chris & Kirstin: As we move into the  
night  
Kirstin: I get crazy thinking how it's gonna be with  
you baby I don't want to play rough I've been loving you  
enough oh Baby

Beide: Wann take forever tonight wann stay in this  
moment forever I'm gonna give you all the love that i?  
ve got wanna take forever tonight fill you up, fill you up  
with love when we close the door all I need is in your  
eyes oh I wanna take forever tonight

Beide: Touch my lips, ooo I'm a fire  
Chris: you're the  
only one I'll ever desire turn the light down low, make  
the world go slow

Beide: When i'm holding you tonight ooo it's so easy  
Kirstin: nothing moves me like you do when you tease  
me and to rush would be a crime I just wanna spend  
some time with you baby

Beide: Wanna take forever tonight wanna stay in this  
moment forever I'm gonna give you all the love that I?  
ve got Wanna take forever tonight fill you up, fill you up  
give you all my love Tonight when we close the door all  
I need is in your eyes oh I wanna take forever  
Chris:  
When I'm here beside you wanna see what drives you  
out of your mind- oo baby

Kirstin: I never wanna leave I only wanna be with you ?  
cause I love how you feel your love is so real

Beide: Now you know I wanna take forever tonight  
wanna stay in this moment forever I'm gonna give you  
all the love that I've got Wanna take forever tonight  
Wanna stay in this moment forever ?n (moment
