I won't like to, be by your side
'Cause you act like
You're sorry you lied
And I've found out, we are not
You won't get that
I tried a lot
I can't get along with the thought
Of bringing the stars to your heart
Step inside and I tell you why
I will let you down now
You may reget, but I
I will let you down
I'll find it pretty sad to say
I never liked you anyway
Step inside and I tell you why
I will let you down
Uhh-uh she's out! Uhh-uh alright!
I won't like to, be by your side
'Cause you smell like
Your hair is on fire
And I know that, you won't react
Or propose "what?"
Any magical act
I can't get along with the thought
Of bringing the stars to your heart
Step inside and I tell you why
I will let you down now
You may reget, but I
I will let you down
I'll find it pretty sad to say
I never liked you anyway
Step inside and I tell you why
I will let you down
You may reget, but I
I will let you down
I'll find it pretty sad to say
I never liked you anyway
Step inside and I tell you why
I will let you down
Uhh-uh she's out! Uhh-uh alright!
Hold up, get up, stand up
Poor strike! Huh!

Tellin' me for real that shit is all that she got
Whazza-aa!
Better lay down chillout now I'm sittin' on top
Time to flip side-now we go on a ride
So put down ya stride n' let's fly to the sky
So boy Give upp all you
Weepy whiny phonecalls
Let her go
So much U miss out on
Come play with me cowboy
Spit all this hate to make some revenge, huh?
I find that kind of strange way
Cuz that's a feeling too
Gives her a living proof
You still love her boo
