Tony's mad, he got the sack
He's walking home with just the shirt on his back
Billy bought a corner store
Went belly up and moved home once more

Zita's smile made her day
Got her teeth punched out
No more kiss for pay

Money says it's alright. It's alright
Money says it's alright
Money money money whisper it all night
Moneys says

Little Ray walked home from school
Lost his bag with his shoes
Bet he's dad aint cool

Honey drove her daddys car into the wall
Straight into the mall
Ended up at city hall

Eddy hears he's lost it all
Market went down
But Eddy's been round
And he knows who to call

Money says it's alright. It's alright
Money says it's alright
Money money money whisper it all night
Moneys says. Moneys says
Money says it's alright
Money money money whisper it all night
Moneys says

Days on end fuck the loss
Nothing's gained without the cost
Havana days is a shifty thing
You get by
You just don't attach the string

Money says it's alright. It's alright

Money says it's alright
Money money money whisper it all night
Moneys says. Moneys says
Money money money whisper it all night
Moneys says. Moneys says
Money says it's alright, alright
