I remember the days of 95
You would leave me in the morning
somewhere 'round 9
now it seems like the things we said
was food for thoughts that we had wrong,
but
Now, we really have got going back in 95
we would fill up the days
that we had in mind
I would follow the tears at night
of mistress and Mrs's on my mind

Chorus:

What we had, we had that, we had that
gone wrong
What we said, we said that we are
waiting too long
What we had, we had that, we had that
gone wrong
What we said, we said that we are
waiting too long

I have written in my book of 95
with the words of a younger me tellin' lies
Thought I wrote everything I felt
but, memories were way too gone
Yes, there was lot of sad love in 95
Everywhere you laid eyes was a broken
mind
I would follow the tears at night
of mistress and Mrs's on my mind

Chorus
