Turn the water on and the lights down low
Let the roses take you away
As your skin reveals what you're longing for
And your soft lips whisper my name
Turn around and rub your back against mine
Love me don't be shy
Let me love you honey lean forward again
You will know it's you and I

Chorus:

Think of me as your producer
I'm gonna re-arrange your soul
Think of me as your producer, baby
Gonna play you all night long
(Think of me baby, I like it the way we ...)

I'm a take it slow I'm a lead you in
Got the bubbles waiting for two
Let it all come off going skin to skin
Love me tender love me true
God I see you shiver again and again
I'm the steam your the melting eyes
Let me love you honey lean forward a while
I can see it's you and I

Chorus:

Think of me as your producer
I'm gonna re-arrange your soul
Think of me as your producer, baby
Gonna play you all night long
Think of me as your producer
I'm gonna re-arrange your soul
Think of me as your producer, baby
Gonna play you all night long
(Think of me baby, I like it the way we ...)

Chorus:

Think of me as your producer
I'm gonna re-arrange your soul
Think of me as your producer, baby
Gonna play you all night long

Think of me as your producer, baby
Gonna play you all night long
