Remember what you said.
I claim your promise, 'cos we went too far, like a
darkening star.
You swore to keep your faith.
You swore to be patient.
And where are we now.
We're stranded, just somehow.
So please, take my hand.

Bridge:
Yeah, our love is special
It's more than I can say.
I won't give it up, 'cos don't you know all I ever wanted,
girl, was you !

So, come on -tell me
Oh, why do you think our dreams went wrong.
Hold on
Baby, I never felt a love that strong.
So, come on -believe in me
Yeah, all we need is just some time.
Why can't you see, I want you back again.

I know it's not too late.
Believe me, I promise.
I will make you see
You're just made for me.
So, don't lose your faith
And keep your patience now 'cos we're all in a flow.
And I know where to go.
So please, take my hand.

Bridge / chorus :
... I want you back again.

You are just deep down in my mind.
I won't forget a single time.
Not the day when we first met and not the lovely words

you said.
And now I don't know what to do all that I want is only
love.

Chorus:

...
Remember what you said.
I claim your promise.
'cos we went much too far, like a darkening star.
