When the night
Has brought us home
Instead of crowding
Got her all to my own
Her famous eyes
Meant to be seen
Becomes a mirror
Of her soul and..
There I see the sun
And it tells me that we're done
The queen and I
Could never be the one
I wish I wouldn't care
That her face is everywhere
But now I'm just
A someone in the crowd
Leavin' with the red eye oh I'm
Leavin' with her sad eyes in mind
Leavin' with the red eye tonight
Now I couldn't be more alone
Leavin' with the red eye oh I'm
Leavin' with her sad eyes in mind
Leavin' with the red eye tonight
Now I'm heading for the unknown
The summer's gone
I feel ashamed
Whoever won her
Had the luck in this game
This summer's song
Became our own
Became a "one hit"
Now it's long gone
While I see the sun
That tells me that we're done
I try to make it out on every sign
I read that I was there and
I read it everywhere
I read I'm just a someone in the crowd
Leavin' with the red eye oh I'm
Leavin' with her sad eyes in mind
Leavin' with the red eye tonight
Now I couldn't be more alone

Leavin' with the red eye oh I'm
Leavin' with her sad eyes in mind
Leavin' with the red eye tonight
Now I'm heading for the unknown
