I wanna be your baby
I wanna be more than I can
Could even be your lady
if you were born a man

Chorus:
Sentimental
Don't wanna say goodbye
Sentimental
I never can deny

With every moment bound to be
a magic
to satisfy my every need
Oh, what I've been missing to
caress it with a lovers greed

I break it up for the tragic
magic moment that I find so bittersweet
I won't get so fanatic
over mem'ries I repeat
I'm singing for the sentimental

Chorus
