Music: christian wunderlich, christoph masbaum, lyrics:

I know it was no accident to cross your way and  
understand that you're the one that I've been looking  
for.

It's true, I feel the same for you.

There's nothing else I'd like to do, but hold you in my  
arms for ever more.

Yes, I just fall in love with you  
For sure I did the same.  
I hope this lovely feeling will remain.

Your love is like a guiding star to me, it is shining on  
my way tonight to make me smile.  
There's something I have never felt before.  
It's beautiful, you're the one I've been longing for.  
Do you still hear all the words that I have said?  
No, I won't forget, oh yeah  
We will tell it to the world- two hearts can beat as one

It seems so unbelievable  
I hardly find a word to tell  
How much I need you here with me, right now.

And I could embrace the universe.  
It feels so good, it nearly hurts and all I want is giving  
you my life !

Yes, I just fall in love with you for sure I did the same.  
And I hope this lovely feeling will remain.

Chorus

So, I ask you, do you want me as your man to love me  
like no one did before.  
Yes, you're the one and only  
I'll never let you go.  
You are meant for me and I am meant for you.

## Chorus
