I wake up slowly
I wake up happy
Never felt this way before
I've had my sorrows
It ends tomorrow
I can't wait to hold you close once more

Chorus:
Why wait until tomorrow
What a waste
What a waste
Why cease the day of tomorrow
and not today
What a waste
What a waste
Wait until tomorrow
what to say
You stay in tomorrow
but hey, it's to far off
What a waste

It's not a fling no
Feels like the real thing so
could it turn into two for tango
Don't leave your shoes on
Come here, the night's soon gone
I can't wait for sunrise once more

Chorus:
Why wait until tomorrow
What a waste
What a waste
Why cease the day of tomorrow
and not today
What a waste
What a waste
Wait until tomorrow
what to say
You stay in tomorrow
but hey, it's to far off
What a waste

Aint to
Go to
Heaven
I pray
Like to
I do
Love her
I say

Why wait until tomorrow
Anyway
Why stay in a far off
Hide away
Why cease the day of tomorrow
What to say...

Chorus:
Why wait until tomorrow
What a waste
What a waste
Why cease the day of tomorrow
and not today
What a waste
What a waste
Wait until tomorrow
what to say
You stay in tomorrow
but hey, it's to far off
What a waste
