Let me love you
Let me be around
I promise you, I won't make a sound
'Cause the wind is blowing hard you see
We'll take a ride just you and me
Let's go down to the south of France
But we can love
I think there is a chance
Go down for the holiday
To live those happy thoughts again
How are you gonna run at the speed of time?
Ooh ooh wonderchild
How are you gonna breathe if you're underground?
How many times will you try?
How are you gonna walk at the rainbows edge?
Ooh ooh wonderchild
Ooh ooh wonderchild
Everything comes to an end
I get to you at the speed of sound
Really fast when you're on the run
'Cause the world's closing in on us
A second later we're on the bus
You're so fine and I love her so
So beautiful, but I have to know
Is this real or is it just a game
Take a ride, won't come back the same
How are you gonna run at the speed of time?
Ooh ooh wonderchild
How are you gonna breathe if you're underground?
How many times will you try?
How are you gonna walk at the rainbows edge?
Ooh ooh wonderchild
Ooh ooh wonderchild
Everything comes to an end
And if I could be with you
I keep on wonder why
If this whole escapade
Is it worth all this time?
And if I could be with you
I keep on wonder why
If this whole escapade
Is it worth all, all, all

(1...2...1... bring it back)
How are you gonna run at the speed of time?
Ooh ooh wonderchild
How are you gonna breathe if you're underground?
How many times will you try?
How are you gonna walk at the rainbows edge?
Ooh ooh wonderchild
Ooh ooh wonderchild
Everything comes to an end
And if I could be with you
I keep on wonder why
If this whole escapade
Is it worth all this time?
And if I could be with you
I keep on wonder why
If this whole escapade
Ooh ooh wonderchild
Everything comes to an end
