Let me love you,
Let me be around,
I promise you, I won't make a sound
Cause the winners blowing hard you see,
So we take a ride just you and me..

Let's go down to the south of France
where we can love i think there is a chance,
Go down for the holiday to live those happy thoughts
again...

I'm gonna ride of the speed of time,
Ooh, ooh wonder child,
I'm gonna bring it to the underground,
How many times will it ride?
I'm gonna walk at the rainbow dear
Ooh, ooh wonder child,
Oooh wonder child,
Every thing comes to an end,

A get to you of the speed of sounds,
Really fast when you're on the run,
Cause the world is close in on us,
A second later we're on the bus,
You so fine and i love u so
So beautiful but I have to know is it real or is it just a
game?!
Take a ride we come back the same,

I'm gonna ride of the speed of time,
Ooh ooh wonder child,
I'm gonna bring it to the underground,
How many times will it try??
I'm gonna walk to the rainbow dear,
Ooh ooh wonder child,
Oooh wonder child
Every thing comes to an end!

And if I could be with you,
I keep on wonder why,
If this whole escapade
Is it wort all this time,

And if I could be with you,
I keep on wonder why,
If this whole escapade,
Is it wortht all (ooh, ooh),

I'm gonna ride of the speed of sound,
Ooh ooh wonder child,
I'm gonna bring it to the underground,
How many times will it ride?!
I'm gonna walk to the rainbow dear,
Ooh, ooh wonder child,
Ooh wonder child,
Every thing comes to an end!

If I could be with you,
I keep on wonder why,
If this whole escapade?!
Is it worth all this life
And If I could be with you I keep on wonder why

Ooh, ooh wonder child
Every thing comes to an end!
