Music: christoph masbaum, lotti schneider, lyrics: carl keaton jr., lotti schneider

Do you ever think of me or do you choose not to see me  
I ask you time and time again  
Let me know the reason that you had to let it go.

Always thinking of you it almost drives me wild  
Tell me now what I should do  
I'm feeling like a helpless child

Refrain:

You'll never know how much I care for you, can't let you  
go no matter what I do.

Why can't you see forever you will be so close to me.  
You'll never know how much you mean to me

How could you forget the past, all the moments they  
could last forever  
But it seems you don't wanna hear how I feel  
Let me show you now my love is real.

Always thinking of you... ...  
You'll never know  
You'll never know.
