As the day passes by,  
I Have Been really missing you.  
Regular Day, all was alright  
Never knew it was a sign  
Till I knew by the morning  
It was whom told me everything.

The Ache in my heart, spread all over  
Should've knew from the start  
Oh i--don't know what to do  
I am out of breath all I can say --God Bless You  
Oh -ohh-ohh

He Prayed as quick as he can  
I did too but was too late  
Yes, I'm rude but I've got a big heart  
And so I wondered a far  
And I thought about what she's into

The Ache in my heart, spread all over  
Should've knew from the start  
Oh i--don't know what to do  
I am out of breath all I can say --

And I Imagined everything how it happened  
The Flashings, The Terror  
It shocked her to death.  
And I kept Feeling...

The Ache in my heart, spread all over  
Should've knew from the start  
Oh i--don't know what to do  
I am out of breath all I can say --God Bless you  
God Bless You,  
I Love You.
