Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby, yeah

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby
(I'm off, I'm off to see the wizard)
(I'm off, I'm off to see the wizard)
(I'm off, I'm off to see the wizard)

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true
(I'm off, I'm off to see the wizard)

Someday I'll wish upon a star
And wake up where
The clouds are far behind me
Where troubles melt like lemon drops
Way above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why, oh why, can't I?
(I'm off, I'm off to see the wizard)

I'm off, I'm off to see the wizard
I'm off, I'm off to see the wizard
I'm off, I'm off to see the wizard

There's no place like home

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby

(I'm off, I'm off to see the wizard)
(I'm off, I'm off to see the wizard)

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true
(I'm off, I'm off to see the wizard)

Someday I'll wish upon a star
And wake up where
The clouds are far behind me
Where troubles melt like lemon drops
Way above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why, oh why, can't I
(I'm off, I'm off to see the wizard)

I'm off, I'm off to see the wizard
I'm off, I'm off to see the wizard
I'm off, I'm off to see the wizard
