A guy what takes his time
I'd go for anytime
I'm a fast moving gal
Who likes 'em slow,
Got no use for fancy drivin'
Wanna see a guy arrivin' in low
I'd be satisfied, electrified,
To know a guy who takes his time

A hurry up affair
I always give the air
Wouldn't give any rushin' gent a smile
I would go for any singer
Who would condescend to linger a while
What a lullaby will be supplied, to have a guy what
takes his time.

A guy what takes his time
I'd go for anytime
A hasty job really spoils a masters touch
I don't like a big commotion
I'm a demon for slow motion
or such

Why should I deny?
that I would die
To know a guy who takes his time

There isn't any fun
In getting something done
If you're rushed when you have to make the grade
I can spot an amateur, 'preciate it
connoisseur in trade
Who would qualify, no alibi To be the guy who takes his
time
