Be easy dont make decisions when you mad

The path you chose to run alone

It makes a cat nervous of the thought of settling down
especially

touch could
lock you down i knew i had you as cocky as it sounds
the way you used to giggle right before i put it down
Its better when you angry come here i'll prove it now

Jlo:

People make mistakes to make up, to break up, to wake
up
cold and lonely chill baby you know you love me im like

Jlo rap:

and theres nothing you can say to me that can change
my mind
