When I think, how life used to be
Always walking in the shadows
Then I look at what you've given me
I feel like dancing on my tip-toes

I must say, everyday I wake
And realize you're by my side
I know I'm truly

Blessed for everything you've given me
Blessed for all the tenderness you show
Do my best with every breath that's in me
Blessed to make sure you never go

There are times that I test your faith
'Til you think you might surrender
Baby I'm, I'm not ashamed to say
That my hopes were growing slender

You walked by in the nick of time

Looking like an answer prayer
You know I'm truly

Blessed for everything you've given me
Blessed for all the tenderness you show
Do my best with every breath that's in me
Blessed to make sure you never go

Blessed with love and understanding
Blessed when I hear you call my name
Do my best with faith that's never-ending
Blessed to make sure you feel the same

Deep inside of me you fill me
With your gentle touch
You know I'm truly

Blessed for everything you've given me
Blessed for all the tenderness you show
Do my best with every breath that's in me
Blessed to see you never go
