(Laugh) Dance  
Back door, cracked we don't need a key  
We did it for free  
No b after sleaze  
Drink that cooly follow my lead  
Now you're one of us  
You're coming with me

It's time to kill the lights and  
Shut the DJ down  
This place 's about to (blow)  
Tonight we're taken over  
No one's getting out !  
This place's about to blow - oh-oh-oh !!  
Blow-oh-oh-ho  
This place's about to blow  
X 3

Now we're, what? Taking control  
We get what we want  
We do what you don't  
Dirt and glitter cover the floor  
We're pretty and sick  
We're young and we're bored

It's time to lose your mind  
And let the crazy out  
This place's about to (blow)  
Tonight we're taking names  
'Cause we don't mess around  
This place's about to blow -oh-oh-oh  
Blow-oh-oh-ho  
This place's about to blow  
X3

Go  
Go go go insane go insane  
Dress some glitter  
Make it rain on and let me see their hands  
Let me see their hands hands  
Let me let me see their hands  
Go insane go insane

Dress some glitter  
Make it rain on and let me see their hands  
Let me see their hands hands  
Let me let me see their hands

We are taking over (blow-oh-oh-oh)  
Get used to it  
This place's about to blow-oh-oh-ho X 3
