feat. Elton John

Elton John:

There's a calm surrender  
To the rush of day  
When the heat of the rolling world  
Can be turned away  
An enchanted moment  
And it sees me through  
It's enough for this restless warrior  
Just to be with you

And can you feel the love tonight?  
It is where we are  
It's enough for this wide-eyed wanderer  
That we've got this far  
And can you feel the love tonight  
How it's laid to rest?  
It's enough to make kings and vagabonds  
Believe the very best

There's a time for everyone  
If they only learn  
That the twisting kaleidoscope  
Moves us all in turn  
There's a rhyme and reason  
To the wild outdoors  
When the heart of this star-crossed voyager  
Beats in time with yours

Christina Aguilera:

And baby, baby, can you feel the love tonight?  
It is where we are, where we are, it is where we are  
It's enough for this wide-eyed wanderer  
That we got this far, got this far, ooh, that we, that we  
got this far

Elton John:

And can you feel the love tonight  
How it's laid to rest?  
It's enough to make kings and vagabonds  
Believe the very best

It's enough to make kings and vagabonds  
Believe the very best
