So, what am I not supposed to have an opinion?  
Should I keep quiet just because I'm a woman?  
Call me a bitch 'cause I speak what's on my mind  
Guess it's easier for you to swallow if I sat and smiled

When a female fires back  
Suddenly the target don't know how to act  
So he does what any little boy would do  
Makin' up a few false rumors or two

That for sure is not a man to me  
Slanderin' names for popularity  
It's sad you only get your fame through controversy  
But now it's time for me to come and give you more to say

This is for my girls all around the world  
Who have come across a man that don't respect your worth  
Thinkin' all women should be seen not heard  
So what do we do girls, shout louder

Lettin' 'em know we're gonna stand our ground  
So lift your hands high and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down

Nobody can hold us down  
Nobody can hold us down  
Nobody can hold us down  
Never can, never will

So, what am I not supposed to say what I'm saying  
Are you offended with the message I'm bringin'  
Call me whatever 'cause your words don't mean a thing  
Guess you ain't even a man enough to handle what I sing

If you look back in history  
It's a common double standard of society  
The guy gets all the glory the more he can score  
While the girl can do the same and yet you call her a

whore

I don't understand why it's okay  
The guy can get away with it the girl gets named  
All my ladies come together and make it change  
And start a new beginning for us, everybody sang

This is for my girls all around the world  
Who have come across a man that don't respect your  
worth  
Thinkin' all women should be seen not heard  
So what do we do girls, shout louder

Lettin' 'em know we're gonna stand our ground  
So lift your hands high and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down

Now here's something I just can't understand  
If the guy have three girls then he's the man  
He can even give her some head, or sex her off  
But if a girl do the same, she's a whore

But the tables about to turn, I bet my fame on it  
Cats take my ideas, and put they name on it  
It's aight though, you can't hold me down  
I got to keep on moving

To my girls to their man who be trying to mac  
Do it right back to him and let that be that  
You need to let him know that his game is whack  
And Lil' Kim and Christina Aguilera got yo back

Your just a little boy, think you're so cute, so coy  
You must talk so big to make up for smaller things  
You're just a little boy, all you do is annoy  
You must talk so big to make up for smaller things

This is for my girls all around the world  
Who have come across a man that don't respect your  
worth  
Thinkin' all women should be seen not heard  
So what do we do girls, shout louder

Lettin' 'em know we're gonna stand our ground  
So lift your hands high and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down

This is for my girls all around the world  
Who have come across a man that don't respect your

worth  
Thinkin' all women should be seen not heard  
So what do we do girls, shout louder

Lettin' 'em know we're gonna stand our ground  
So lift your hands high and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down

Uh oh oh, uh uh uh  
It's a better world  
Can't hold us down  
Yeah, we here, we back again  
Yeah, Lil' Kim and Christina Aguilera, yeah  
Can't hold us down
