Spin around in circles on my middle, middle finger  
Won't you spin around in circles on my middle, middle  
finger  
Won't you round and round, sit on my middle finger  
Round and round, sit on my middle finger

So you went around, went around talking s\*\*t-ahh s\*\*t-  
aah  
Keep my name up out your mouth spit it out you b\*tch-  
aa b\*tch-aa  
Wish that you could hang around me and my clique-aa  
clique-aa  
Lime lights, prime life how you get the pictchaa-  
pictchaaa

Hold up  
I got more money than I can fold up  
I see you super hatin' when I roll up  
And I suggest you go and grow the f\*ck up (ha)  
Or you can spin around in circles

Spin around in circles on my middle, middle finger  
Spin around in circles on my middle, middle finger  
(You can) Spin around in circles on my middle, middle  
finger  
(Oh yeah) Spin around in circles on my middle, middle  
finger

I see you run around, run around like you gitaa-gitaa  
Why you always tryna be up in my mixture mixture  
Cause I'm freaky fly fashion you just bitter bitter  
Shine bright day and night no matter how I get up get  
up

Hold up  
I got more money than I can fold up  
I see you super hatin' when I roll up  
And I suggest that you go and grow the f\*ck up  
Or you can spin around in circles

Spin around in circles on my middle, middle finger  
(Say what!) Spin around in circles on my middle,

middle finger  
(Oooh!) Spin around in circles on my middle, middle  
finger  
Spin around in circles on my middle, middle finger

Bridge:  
Use my name as your claim to fame  
Got my smell of success on your breath  
Desperate  
You're a mess  
Go ahead get your press  
You no-name  
You're shameless  
Think you'll rain on my middle  
Tryna break me but you can just

Spin around in circles on my middle, middle finger  
(Won't you) Spin around in circles on my middle,  
middle finger

Spin around in circles on my middle, middle finger  
Spin around in circles on my middle, middle finger  
Spin around in circles on my middle, middle finger  
Spin around in circles on my middle, middle finger

Spin around in circles on my middle, middle finger (Or  
you!)  
Spin around in circles on my middle, middle finger  
(You can! 3x)  
Spin around in circles on my middle, middle finger  
(Aww!)  
Spin around in circles on my middle, middle finger  
(Aww!)

(Ha ha ha!) Round & round  
Round & round  
Round & round  
Round & round

Round & round  
Round & round  
Round & round  
Round & round
