Come On Over, Come On Over Baby -- 4x

Hey boy, don'cha know I got something going on
I got an invitation, don't you keep me waiting all night
long
I know, you know, so baby don't pretend you won't
Keep me guessing with you, you will or you won't
Don't wanna play the game with you baby, listen to me

Chorus:

All I want is you, come over here baby
All I want is you, you know you make me go crazy
All I want is you, now baby don't be shy, you better
cross the line
I'm gonna love you right cause all I want is you

Come on over, come on over baby -- 2x

I'm not just talking about your sexuality
But I can't help myself when you put your hands on me
It's paradise when you and I get close skin tight
When I wanna wanna go on all night
I wanna play the game with you baby, listen to me

(chorus)

Rap:

Don't ya wanna be the one tonight
We can do exactly what'cha like
Don't you wanna be just you and me
We can do what comes so naturally
I got a thing for you, got my mind made up
And I'm serious, never been more baby, don't show it
but it's real
And it's right here

You give me what a girl needs
What a girl wants
What a girl needs
What a girl wants

(Chorus til end
