Keep me guessing with you, You will or you won't

All I want is you, You know you make me go crazy
All I want is you, Now baby don't be shy you better
cross the line

Here we go
Don't ya wanna be the one tonight
We can do exactly what you like
Don't ya wanna be just you and me
We can do what comes so naturally

I got a thing for you, Got my mind made up
And it's serious, Never been more baby
Don't show it but it's real, And it's right here

Come on Come on Come on Come over
Yeaaaaaa

What a girl feels
What a girl likes
What a girl needs
What a girl wants

(Repeat chorus
