Come with me, come with me baby (4x)
Ohhh yeah
Yeah, yeah, yeah, yeah

Today is the ocasion
My heart was ready
Then you came
The party has started
We'll dance out of control, ohh

Love, arrived
The night for both of us
Reason, to love
And to celebrate
Together, you and me
Until the sun comes up
Listen to me

CHORUS
Only you, come closer to see me
Only you, because you make me go crazy
Only you, don't make me wait
I want to be with you
Be only yours
Only you

Come with me, come with me baby (2x)
Yeah ooh

My greatest wish
Is to stay beside you
Only you (only you)
Have my heart
Since the day I saw you, ohh oh

I am (I am), love (love)
Shaking with emotion (with emotion)
Pasion, heat
I never felt better
Come today, please
Our destiny is together

Listen to me

CHORUS

Come with me, come with me baby (4x)

Ohh...

Ohhh yeah, ohh

Fear is not love, love

Don't make me wait

I want to be with you

I'm going to love you always

CHORUS (2x)
