Dancing 'til the morning on a velvet sky
Racing to the top with golden rays of light
I never felt so free and it's so dangerous
The night was electronic painted red with lust

I move, you shake, we magnetize
A timer was exploding with no warning sign

Dynamite, electrify me all night
Dynamite, just give it to me, I won't bite
Dynamite, you make me feel, it's alright
Dynamite, shine it on me

Caught up in this moment I was hypnotized
Couldn't shake this feeling got me paralyzed
I do, I don't think I might
My body was electric like a flashing light

Dynamite, electrify me all night
Dynamite, just give it to me, I won't bite
Dynamite, you make me feel, it's alright
Dynamite, shine it on me
A change, a change is coming
A change, a change is coming

Turn around, that a change is 'bout to happen
The energy igniting has become my inspiration
If you'll take a deeper look you'll find the information
I'm only just a figment of controlled imagination

Dynamite, electrify me all night
Dynamite, just give it to me, I won't bite
Dynamite, you make me feel, it's alright
Dynamite, shine it on me

(O-o-uh, o-o-uh, o-o-uh) electrify me
(O-o-uh, o-o-uh, o-o-uh) I won't bite
(O-o-uh, o-o-uh, o-o-uh) just give it to me
(O-o-uh, o-o-uh, o-o-uh o-uh o-uh)

Dancing 'til the morning on a velvet sky

Dancing 'til the morning on a velvet sky
Velvet sky
