I saw your friend 1st  
That's who I danced with  
All the time I was watchin' U

The music rocked us  
Our eyes locked-thus  
Makin' us see a trippy picture shoo

If a man is considered guilty  
4 what goes on in his mind  
Then give me the electric chair  
4 all my future crimes-OH!

U whispered something  
It took my mind out like a  
G flat major with an E in the bass  
Your face looked so good  
I wanted to touch your mouth  
My brain is jackin' all over the place

If a man is considered guilty  
4 what goes on in his mind  
Then give me the electric chair  
4 all my future crimes-OH!

Let's take a drive, love  
So we can make up our minds, love  
2 commit the crimes of passion  
That sets us free  
Me lovin' U, U lovin' me (me lovin' u, u lovin' me)

The electric chair

I saw your friend 1st  
That's who I danced with  
All the time I was watchin' u (I was watchin' u)  
The music rocked us  
Our lives shocked us  
Makin' us see a trippy picture shoo  
I've got to have it  
Somebody...

If a man is considered guilty  
4 what goes on in his mind  
Then give me the electric chair  
4 all my future crimes-OH!

U know I'm guilty, yeah, (4 all my future crimes)  
Guilty, (4 all my future crimes)  
And if ya don't really love me  
(Then give me the electric chair) oh!
