(1) Shes taking her time making up the reasons
To justify all the hurt inside.
Guess she knows from the smiles and the look in their
eyes
Everyones got o theory about the bitter one
Theyre saying
Mama never loved her much
And daddy never keeps in touch
Thats why she shies away from human affection
But somewhere in a private place
She packs her bags for outer space
And now shes waiting for the right kind of pilot
To come (and shell say to him)
Shes saying

Chorus: I would fly you to the moon and back
If youll be, if youll be my baby
Got a ticket for a world where we belong
So would you my baby

She cant remember a time when she felt needed
If love was red then she was colour-blind
All her friends theyve been tried for treason
And crimes that were never defined
Shes saying love is like a barren place
And reaching out for human faith is
Is like a journey I just dont have a map for
So baby gonna take a dive and push the shift to
overdrive
Send a signal that shes hanging all her hopes on the
stars
(What a pleasant dream) just saying

Chorus

(1)

Chorus x2
