Falling in love again, never wanted to
What am i to do, i cant help it
Love always been my game, play it how i may
i was made that way, i cant help it

Men cluster to me like moths around a flame
and if their wings burnt, i know i'm not to blame
Falling in love again, never wanted to
What am i to do, i cant help it

Men cluster to me like moths around a flame
and if their wings burnt, i know i'm not to blame
Love always been my game, play it how i may
i was made that way, i cant help it
Falling in love again, never wanted to
What am i to do, i cant help it

Falling in love again, never wanted to
What am i to do, i cant help it
Love always been my game, play it how i may
i was made that way, i cant help it
Men cluster to me like moths around a flame
and if their wings burnt, i know i'm not to blame

Love always been my game, play it how i may
i was made that way, i cant help it

uh uh.. i'm falling in love again... i never wanted to
i'm not to blame
i was made that way
i'm not to blame...
