Im the kind of girl that you wanna marry  
Live out on a farm with a bunch of kids  
Go to bed at night and we'll get a quirky  
Kind of the way our grandparents did  
Give me a little groom and i'll sleep your farn out  
Give me little soap and i'll wash your jeans  
Give me half a chance and i'll knock your socks up  
Sounds pretty good if you know what i mean

We could live on an island far away  
We could swim with the fishies in the sea  
Take a ride on a spaceship to the stars  
When we're there happy fishes we would be

Im the kind of girl you wanna carry  
Through the streets of Rom or perhaps my dread  
Then we'll have to trade on the way to Venice  
Sleep on a boat under a bridge  
Maybe this is all just a beggers bankquit  
Maybe this is all just a fools delight  
If our only gold is our imagination  
We can pretend atleast for tonight

That we live on an island far away  
That we swim with the fishies in the sea  
That we ride on a spaceship to the stars  
When we're there happy fishes we would be

We could live on an island far away  
We could swim with the fishies in the sea  
Take a ride on a spaceship to the stars  
When we're there happy fishes we would be

We could live on an island far away  
We could swim with the fishies in the sea  
Take a ride on a spaceship to the stars  
When we're there happy fishes we would be

Im the kind of girl that you wanna marry  
Live out on a farm with a bunch of kids
