Oh...

I feel like I've been locked up tight

For a century of lonely nights

Waiting for someone

To release me

You're licking your lips and blowing kisses my way

But that don't mean I'm gonna give it away

Baby, baby, baby

(baby, baby, baby)

Oh whoa...

My body's saying let's go

Oh whoa...

But my heart is saying no (no)

If you wanna be with me, baby

There's a price you pay

I'm a genie in a bottle

You gotta rub me the right way

If you wanna be with me

I can make your wish come true

You gotta make a big impression

I gotta like what you do

I'm a genie in a bottle, baby

Gotta rub me the right way, honey

I'm a genie in a bottle, baby

Come, come, come and let me out

The music's playing and the lights' down low

One more dance and then we're good to go

Waiting for someone

Who needs me

Hormones racing at the speed of light

But that don't mean it's gonna be tonight

Baby, baby, baby

(baby, baby, baby)

Oh whoa...

My body's saying let's go

Oh whoa...

But my heart is saying no (no)

If you wanna be with me

Baby, there's a price you pay

I'm a genie in a bottle

You gotta rub me the right way

If you wanna be with me

I can make your wish come true
Come and set me free, baby
And i'll be with you
I'm a genie in a bottle, baby
Gotta rub me the right way, honey
I'm a genie in a bottle, baby
Come, come, come and let me out
I'm a genie in a bottle, baby
Gotta rub me the right way, honey
I'm a genie in a bottle, baby
Come, come, come and let me out
Oh whoa...
My body's sayin let's go
Oh whoa...
But my heart is saying no (no)
If you wanna be with me, baby
There's a price you pay
I'm a genie in a bottle
You gotta rub the right way
If you wanna be with me
I can make your wish come true
You gotta make a big impression
I gotta like what you do
If you wanna be with me, baby
There's a price you pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me
I can make your wish come true
Come and set me free, baby
And i'll be with you
I'm a genie in a bottle, baby
Come, come, come and let me out
