Look in my eyes  
What do you see  
Only me  
Got nothing to hide  
Seek and you'll find  
Whats on my mind

This happened so fast  
Not a part of my plan  
So I'm leaving my heart in your hands

Haven't told you just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you just how much I love you  
Time for revealing  
And I will give you something too  
A love from me to you

Look in my eyes  
You know me so well  
Can't you tell  
(That I'm) Way into deep  
I'm going down  
So catch me now

It happened so fast  
Not a part of my plan  
So I'm leaving my heart in your hands

Haven't told you just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you just how much I love you  
Time for revealing  
And I will give you something too  
A love from me to you

I feel you  
Everyday I breathe you  
Every single moment from the start

I see you  
Constantly I feel you  
You move me so  
No letting go  
You smile at me  
My heart is yours to keep

Haven't told you just how much I love you  
Only by dreaming  
I show my feelings  
Haven't told you just how much I love you  
Time for revealing  
And I will give you something too  
A love from me to you

Have I told you baby  
Ooh I love you baby  
I show my feelings  
And I will give you something too  
A love from me to you
