Oh ooh, yeah

Does it ever feel like  
No one is with you  
No one sees it your way  
Everyone's against you

But it's your life  
Gotta keep the faith  
Hold your vision  
You will find your way, yeah

Ah, yeah, oh yeah

I may not fit the mold  
May not do what I'm told  
I will not be swayed  
By the things that they might say

They may have had their doubts  
No matter what I've found  
I have held my ground  
Look at me, I'm still around

So dream on, dream on, yeah  
Don't ever let them steer you wrong  
When life comes knocking  
Gotta keep on rocking  
Open that door and  
Shout it to the world, singing

Hello, hello, ha  
Here I am, here I go  
Yeah, yeah  
'Cause I got love to give  
And I got dreams to live  
So hello, hello  
Hello, hello, oh ooh yeah

And if you don't fit in  
Just know your differences  
Are beautiful to see

Well, they're beautiful to me

There's no one quite like you  
Be proud in all you do  
You know you'll find a way  
Be who you are, don't be ashamed now

Shine baby, shine, yeah

'Cause it's all in your mind  
The life you crave  
The love you make, said  
It's all up to you and  
You just gotta say

Hello, hello  
Here I am, and here I go  
Yeah, yeah  
I got love to give  
And I got dreams to live  
So hello, hello  
Hello, hello

So don't you ever let it pass you by  
It's your life  
Yeah, yeah, yeah  
You gotta dream, you know you gotta try  
It's your time to shine, oh yeah  
Said, shout it to the world, sing

Hello, hello, woo  
Here I am, here I go  
Yeah, yeah  
I got love to give  
And I got dreams to live  
So hello, hello

Yeah, yeah, yeah  
Hello, hello, ooh yeah  
Hello, hello, oh ooh, yeah  
Hello, hello  
Hello, hello, yeah  
Hello, hello, I said yeah, yeah  
Said it goes on and on, yeah yeah  
Hello, hello  
Hello, hello, ooh  
Ooh yeah

Goodbye  
See you later  
Ciao
