I am timid and  
I am over sensitive  
I am a lioness  
I am tired and defensive,  
You take me in your arms and I fold into you  
I have insecurities  
You show me I am beautiful  
Love me or leave me  
Just take it or leave it  
It's not that I'm needed just need you to see me  
Take me  
Free me  
See thru to the core of me  
Take me  
Free me  
There will be no more pretending  
I am sentimental and  
I have imperfections and  
I am emotional  
I am unpredictable  
I am naked  
I am vulnerable  
I am a woman  
I am opening up to you  
Love me or leave me  
Just take it or leave it  
It's not that I'm needed just need you to see me  
Take me  
Free me  
See thru to the core of me  
Take me  
Free me  
There will be no more pretending  
Now I stand before you with my heart in my hands  
I'm asking you to take me just the way that I am  
Please lay down your arms  
Do you know me  
Make me feel safe from harm  
Take me  
Free me  
See thru to the core of me  
Take me

Free me  
There will be no more pretending  
I am temporary and  
I have imperfections and  
I am emotional  
There will be no more pretending
