daddy please
i'll kill you little girl

mhmm
once upon a time
there was a little girl
in her in the years
she had to learn
how to grow up in a war
she called hoem
never noticed where to look for shelter
from a storm
hurt me to see my mothers face
everytime my fathers fist
would but her in her place
hearing all the yelling
I would cry up in my room
hoping it would be over soon

Chours:
bruises fade father
but the pain remains the same
and I still remeber
how you kept me so afraid
the strength is my mother
for all the love she gave
every morning that I wake
I look back to yesterday
and I'm okay

half the window wide
I've carried all this skin
when it's you that helped me
put together these wall that I built
shadows stir at night through a crack in the door
th echos of a broken child
screamign please no more

Chorus:

brusies fade father

but the pain remains the same
and I still remember how
you kept me so..
so afraid
the strength is my mother
for all the love she gave
every morning that I wake
I look back to yesterday
and I'm okay

It's not so easy to forget
all the rocks in her life
are known as dad
when I was thrown
against cold cement
now everyday I'm afraid
to come home fear
of what i might see

Chorus:
bruises fade father
but the pain remains the same
and I still remeber how you kept me so afraid
the strength is my mother
for all the love she gave
every moring that I wake
I look back to yesterday
and i'm Okay
mhmm
I'm okay
