Just A Fool

(Christina)

Uhhh. Yeahhhh.

Another shot of whiskey please bartender.
Keep it coming till I don't remember at all,
How bad it hurts when you're gone (na na na no)

Turn the music up a little bit louder
Just gotta get past the midnight hour (uh uh)
Maybe tomorrow it won't
Be
This
Hard
Who am I kidding?
I know what I'm missing.

Ohhhh.

I had my heart set on you
But nothing else hurts like you do.
Who knew that love was so cruel? (Yeah yeah yeah)
And I.....
Waited and waited so long
For someone who'll never come home
It's my fault to think you'll be true (Yeah yeah)
I'm just a fool (Yeah).

(Blake Shelton)

I said that I don't care
I'd walk away, whatever
And I tell myself we were bad together. (Uh uh)
But that's just me trying to move on
With
Out
You

(Together)

But who am I kidding
I know what I'm missing
iiiiii
I had my heart set on you
But nothing else hurts like you do

Who knew that love was so cruel? (Christina: Yeah yeah
yeah)
And I
Waited and waited so long
For someone who'll never come home
It's my fault to think you'll be true (Christina: Yeah
yeah)

(Blake Shelton)
I'm just a fool.
For holding on to something that
Is never ever gonna come back
I can't accept that it's lost.

(Christina)
I should have let it go
Held my tongue
Kept my big mouth shut
'Cause now everything is just wrong, (Together: wrong,
wrong...)

(Together)
I'm just a fool (Christina: A fool for you)
I'm just a fool.

I I had my heart set on you
But nothing else hurts like you do
Who knew that love was so cruel? (Yeah yeah yeah)
And I
Waited and waited so long
For someone who'll never come home
It's my fault to think you'll be true (Christina: Yeah
yeah)
I'm just a fool (Christina: oh yeahhh)

I'm just a fool

I'm just a fool

It's my fault to think you'll be true (Yeah yeah yeah)

I'm just a fool.
