Step back  
Gonna come at ya fast  
I'm driving out of control  
And getting ready to crash  
Won't stop shaking up  
What I can  
I serve it up in a shot  
So suck it down like a man  
So baby  
Yes I know what I am  
And no I don't give a damn  
You'll be loving it

Some days I'm a super bitch  
Up to my old tricks  
But it won't last forever  
Next day I'm your super girl  
Out to save the world  
And it keeps getting better

Kiss, kiss  
Gonna tell you right now  
I'll make it  
Sweet on the lips  
As it can knock you out  
Shut up  
I don't care what you say  
Cuz when we both in the ring  
You're gonna like it my way  
Yeah baby  
There's a villain in me  
So sexy sour and sweet  
And you'll be loving it

Some days I'm a super bitch  
Up to my old tricks  
But it won't last forever  
Next day I'm your super girl  
Out to save the world  
And it keeps getting better  
Hold on  
Keeps getting better

Hold on  
Keeps getting better

In the blink of an eye  
In the speed of the light  
All the universal  
Will make the planets collide  
When I strap on my boots.  
And I slip on my suit.  
See the vixen in me  
Becomes the angel for you

Some days I'm a super bitch  
Up to my old tricks  
But it won't last forever  
Next day I'm your super girl  
Out to save the world  
And it keeps getting better

Some days I'm a super bitch  
Up to my old tricks  
But it won't last forever  
Next day I'm your super girl  
Out to save the world  
And it keeps getting better  
Hold on  
Keeps getting better  
Hold on  
Keeps getting better
