Step back gonna come at ya fast
I'm driving out of control
And getting ready to crash
Won't stop shaking up what I can
I serve it up in a shot
So suck it down like a man
So baby yes I know what I am
And no I don't give a damn
And you'll be loving it

Some days I'm a super bitch
Up to my old tricks
But it won't last forever
Next day I'm your super girl
Out to save the world
And it keeps getting better

Kiss kiss gonna tell you right now
I'll make it sweet on the lips i'll simply knock you out
Shut up I don't care what you say
Cuz when we both in the ring you're gonna like it my
way
Yeah baby there's a villain in me so sexy sour and
sweet
And you'll be loving it

Some days I'm a super bitch
Up to my old tricks
But it won't last forever
Next day I'm your super girl
Out to save the world
And it keeps getting better

Hold on
Keeps getting better
Hold on
Keeps getting better

In the blink of an eye
In the speed of the light
I'll hold the universe up
And make your planets collide

When I strap on my boots
And I slip on my suit
You see the vixen in me
Becomes an angel for you

Some days I'm a super bitch
Up to my old tricks
But it won't last forever
Next day I'm your super girl
Out to save the world
And it keeps getting better

Some days I'm a super bitch
Up to my old tricks
But it won't last forever
Next day I'm your super girl
Out to save the world
And it keeps getting better

Hold on
Keeps getting better
Hold on
Keeps getting better
