Song bird, rebirth, unearthed creature  
Submerged from hurt, pain, broken pieces  
Emergency, heartbeat increases  
Raise up Lotus, raise up this is the beginning

This is the beginning  
This is the beginning  
This is the beginning

Song bird, rebirth, unearthed creature  
Submerged from hurt, pain, broken pieces  
Emergency, heartbeat increases  
Raise up Lotus, raise up this is the beginning

And now the Lotus rises  
We are never dying  
Forever flying  
And always surviving

Song bird, rebirth, unearthed creature  
Submerged from hurt, pain, broken pieces  
Emergency, heartbeat increases  
Raise up Lotus, raise up this is the beginning

This is the beginning  
This is the beginning  
This is the beginning

Song bird, rebirth, unearthed creature  
Submerged from hurt, pain, broken pieces  
Emergency, heartbeat increases  
Raise up Lotus, raise up this is the beginning

This is the beginning  
This is the beginning

To the sky, I raise  
Spread my wings and fly

I leave the past behind  
And say, goodbye to the scared child inside

I sing for freedom and for love  
I look at my reflection, embrace the woman I become

The unbreakable Lotus in me, I now set free
