People ask if I'm in love with you  
Cause I'm sitting here with your picture and smilin' to  
myself (I smile)  
I'm kinda lost in my own thoughts of you  
My heart speaks before my mind thinks though, and i  
blush as i say yes

What a feeling of vulnerability comin' over me  
And I'm feeling weak and I can't speak (speak)  
I can't think  
Never thought I'd give in so willingly to a human being  
With abilities to set me free (free). Let me be me  
Makes me wanna say

Chorus:  
Your lips, your eyes, your smile, your kiss  
I must admit it's a part of me  
You please me, complete me, filling me  
Like a melody  
Your soul, your flow, your youth, your truth is simply  
proof  
We were ment to be  
But the best quality that's hookin' me  
Is that your loving me 4 me  
Is that your loving me 4 me
