People ask if I'm in love with you
cause I'm sitting here with your picture and smilin' to
myself

[I smile]

I'm kinda lost in my own thoughts of you
My heart speaks before my mind thinks through,
and I blush as I say yes

What a feeling of vulnerability comin' over me
And I'm feelin' and I can't speak [speak]
I can't think
Never thought I'd give in so willingly to a human being
with abilities to set me free [free]
let me be me
Makes me wanna say,

chorus:

Your lips, your eyes, your smile, your kiss
I must admit, its a part of me
You please me, complete me, filling me,
Like a melody
Your soul, your flow, your youth is simply proof
We were meant to be
But the best quality that's hookin' me
Is that, you're lovin' me for me
Is that, you're lovin' me for me

[flows into Loving Me for Me]
