People ask if i'm in love with you
Coz' i'm sitting here with your picture
and smilin' to myself
I kinda lost lost in my own thoughts of you
My heart speaks before my mind thinks through
and i blushed as i say yes
what a feeling of vulnerability comin' over me?
and i'm feeling weak and i can't speak
never thought i'd be in so willingly,
to a human being with capabilities to set me free

makes me wanna say
your lips, your eyes, your smile, your kiss
i must admit it's a part of me
you please me, complete me, fillin' me
like a melody
your soul, your flow, your youth, your truth
is simply proof we were meant to be
but the best quality that's hooking me
is that you're lovin' me 4 me

Now people ask why i'm in love with you
Well, let me start by saying you got my heart
by just bein' who you are
and what we got is between me and you
doesn't matter the money i make
or what i do or that i'm a star
Unconditional you were there for me
Undeniably you inspire me spiritually
This is meaningful, it's incredible, pleasurable
unforgettable the way i feel

makes me wanna say
your lips, your eyes, your smile, your kiss
i must admit it's a part of me
you please me, complete me, fillin' me
like a melody
your soul, your flow, your youth, your truth
is simply proof we were meant to be
but the best quality that's hooking me
is that you're lovin' me 4 me

it's so amazing how something so sweet
Has come and rearrange my life
I've been kissed by destiny
Heaven came and save me
and angels place at my feet
This isn't ordinary his lovin' me for me
*Stripped of all make-up
No need for fancy clothes
No cover-ups no push-ups
With him, i don't have to put on a show
He loves every freckles every curl
every inch of my skin for fillin' me entirely
takin' all of me in
he's real his honesty his lovin' me 4 me*
