Look at me, you may think you see who I really am
But you'll never know me
Every day it's as if I play a part
Now I see if I'm where I'm at I can fool the world
But I cannot fool my heart

Who is that girl I see
Staring straight back at me
When will my reflection show
Who I am inside

I am now in a world where I have to hide my heart
And what I believe in
But somehow I will show the world what's inside my
heart
Help me look for who I am

Who is that girl I see
Staring straight back at me
Why is my reflection so alone

Don't know
Might start pretending I'm someone else
For all time
When will my reflection show
Who I am inside

Never hope that must be free to fly
Like birds with a niche and no...
Why must we all conceal what we think, how we feel
Must there be a secret me
I'm far too high

I won't pretend that I'm
Someone else for all time
When will my reflection show
Who I am inside
When will my reflection show
Who I am
who i am inside
who i am
who i am inside yeah
