My girls wear lipstick while they're making my beats
They got guitar picks in their purses, louis vuitton on
their feet
They got no time for waiting in lines
They got sex and 808s running through their dirty
minds

(Chorus)

My girls, we're running the show
My girls, we're teasing all the boys on the go
My girls, cause that's the way that we roll
My girls, so ladies step it up and take control

Now shout, my girls we're stronger than one
Now shout, and sometimes we gotta have fun (come
on!)

My girls headed to the city, y'all
We got Cosmo on the dash and tickets on the floor
We got Sia, and Rhonna, and Peaches too
We got Johanna and JD and we're coming for you

My girls (my girls)

(Chorus)

My girls, we're running the show
My girls, we're teasing all the boys on the go
My girls, cause that's the way that we roll
My girls, so ladies step it up and take control

Now shout, my girls we're stronger than one
Now shout, and sometimes we gotta have fun (come
on!)

My girls are screaming, and yelling, and getting loud
My girls are shaking up the party while you're getting
down
My girls are singing, and dancing and having fun
My girls are cooking up a beat, and they want you to
come

(PEACHES RAP)

My girls stay close when they see trouble around
They got jewels on their fingers, it's about to go down
We got no time for haters you know, we just came to
party
Come on, now here we go

(Chorus)

My girls, we're running the show
My girls, we're teasing all the boys on the go
My girls, cause that's the way that we roll
My girls, so ladies step it up and take control

Now shout, my girls we're stronger than one
Now shout, and sometimes we gotta have fun
My girls we're stronger than one
Now shout, and sometimes
Now shout, we gotta have fun
